sakurai machiko

Hello, it's Sakurai Machiko. If you've never met me before, nice to meet you. If you have, then it's nice to see you again.
This was Honey Volume 1. Oh dear! 1!!!
This means that a "2" will be coming out soon! Oh my!
Some people have told me that this is a weird story...
Is it weird?
...I guess it is.
Well, it's a story set in high school, so of course nothing is going to work out perfectly for everyone. I've been hearing a lot about my other book, "My Favorite Person" and how people are saying that it's just like their own lives, so I'm hoping that people will receive this new story the same way. Well, volume 2 hasn't been published yet, so we'll see. Think on it for a bit. For those of you who think "Oh, this is such a strange story." Well, please try to understand and enjoy it, nonetheless...
I hope I'll think of a better and more interesting title after "My Favorite Person" and "Honey"... I'm a bit stupid.
But I do think about it a little bit at a time every now and then. Every day... Yes, every day!! Well, that's a bit of an exaggeration...
I have to say, I really respect all those teachers out there. I'm not kidding. I'm working extremely hard but when I see those teachers working, it's really respectable. And I'm thankful that I can see them. It's a great atmosphere.
With this book, I hope to meet other humble (T/N: lowly?) kids like me.
You guys may not know it, but I'm very thankful to you all.
Really, thank you so much.
I think about it every day, all day.

*T/N: or would it be -nim instead of -sama since it's in Korean. -Him

Thanks.

Until we
meet again!
